VERSATEX® ROADSHOW

The VERSATEX Roadshow is a hands-on, educational event that gives contractors an opportunity to be up close and personal with PVC trim, network with other contractors and become more connected to the building world.

Join **National Lumber in Newton** for the interactive Roadshow demonstration featuring VERSATEX products, tips, tricks, best practices and inspiration.

Tour the NEW Roadshow Trailer and meet the VERSATEX team while you enjoy some food, refreshments and prizes!

THURSDAY, SEPT 10th
7am – 2pm

National Lumber
Newton
15 Needham St
Newton, MA
02461

Bobby Parks is a nationally recognized deck, porch, patio and remodeling contractor who has over 25 years of experience in the industry and has delivered over $38 million of residential and commercial projects. He has conducted numerous building and business courses and frequently speaks at industry events.
