“**National Lumber** has been my major supplier for 50 years. We’ve been a team (Manny and the Kaitz Family) through good years and recessions, getting our projects built on time and on budget.

It’s remarkable that National does so many things so well — from manufacturing of trusses and wall panels, to installed insulation, drywall, doors & hardware (both residential and commercial), windows, interior trim, plus cabinetry, along with exceptional customer service — they have helped me to be successful.”
