MISSION STATEMENT

To maintain our place as the acknowledged leader in New England in providing consistent quality building materials and professional expertise.

To build and maintain strong, mutually beneficial business relationships with homebuilders, contractors and suppliers by being passionately committed to consistent, extraordinary service beyond expectations.

To listen to and respect every employee, customer and supplier and emphasize clear, consistent and constant communication within an atmosphere of teamwork.

To provide a safe and rewarding environment where employees are treated fairly and have an opportunity to pursue their career goals and share in the success of the company.
